

## CERT Ambassador Programme

### How to earn an easy £100!!! What is it?

The CERT Ambassador programme recognises the value that you bring to our apprenticeship and training programmes. Without you and your feedback we would never be able to improve, expand and develop our offer.

**We want to find more people just like you** that would want to benefit from the same experience that you have had. You are a better advocate than any video, photo or marketing activity that we can do and we would like you to recommend our apprenticeships and training to your friends, family and colleagues.

Anyone that you recommend for an apprenticeship will be guaranteed an interview, subject to them not already have prior learning that would invalidate the apprenticeship. We will also provide constructive feedback post interview so that if they are unsuccessful they can develop an action plan to help them develop their application/interview skills for the next time.

In return we would like to reward you with a £100 voucher for you or a donation to charity in your name for every person you put forward who is appointed to an apprenticeship with us.

### Who is eligible for the reward

Anyone who has completed or is currently undertaking an apprenticeship and has their training with CERT

### How do I get my reward?

All you have to do check out our vacancies page <https://www.certapprenticeships.co.uk/vacancies> and recommend someone to CERT for one of the apprenticeships.

**Step 1:** Confirm with the person that are happy for you to share their contact details

**Step 2:** Click the link below to take you to our referral form, enter all the details in the online form: <https://forms.gle/4KYQ4K1ShqLdnAdu8>

**Step 3:** You'll both receive an email confirming the referral and then the person you have referred can apply for the vacancy via the National Apprenticeship Service.

**Step 4:** We'll check your referral is eligible for the vacancy, and they will receive a guaranteed interview and feedback afterwards.

**Step 5:** If they are successful, once they have started their apprenticeship we will send you your voucher or confirmation that we have placed your donation.
